4. 2013-2014 SAGE Summative Results
 - a. Ms. Covington reviewed the SAGE Summative Results
5. SAGE Interim
 - a. The school will be giving the SAGE Interim exams. Teachers will use the data from these exams to assess where students are at academically up to this point in the curriculum.
6. Professional Development Plan
 - a. Ms. Covington expressed concern that more professional development and resources were needed for the English and Math departments in light of the SAGE summative scores. She expressed that the teachers had requested more training in creating higher Depth of Knowledge Questions and having time to collaborate together to align their curriculum vertically. The English teachers requested more training in Depth of Knowledge Questions as well as in text sets. A motion was

made to amend the current professional development plan budget to provide addition funding for these things. A vote was taken and 7/7 members approved the amendment.
